Covington ISD Summer Food Program Ready to Serve Children

School's out for the summer and that means hundreds of Covington children will be looking for places they can meet their friends, have fun and eat healthy snacks and meals. Covington ISD Summer Food Service Program is ready to meet the demand.

Beginning June 4th and ending July 19th the feeding program at Covington School will be Monday through Thursday with breakfast being served at 7:00 AM to 8:00 AM and lunch at 11:00 AM to 11:30 AM. The program benefits and services are available to all children without regard to race, color, national origin, sex, age or disability. A complaint may be filed to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (800) 795-3272 or (202) 720-6382 (TTY).

The Texas Health and Human Services Commission's Summer Food Program is offered statewide by local sponsors who operate sites where children up to 18 years-old can get free meals. The service is open to all children, regardless of income. People who are over age 18 and enrolled in school programs for people with disabilities also can receive free meals.

Once again this summer, many of the free meal sites are being sponsored by school districts, local government agencies, churches and other private non-profit groups. The sites are located in areas where more than 50 percent of the children are eligible for free or reduced-price meals under the National School Lunch Program.

More than 2,000 summer food meal sites across Texas are expected to be in operation in places such as recreation centers, schools, parks, churches, day camps and community centers. Many of the sites will offer recreational activities for children as well as free meals.

The most up-to-date information on Summer Food meal sites and hours of operation is available statewide by calling 2-1-1. For more details on the Summer Food Program visit <http://squaremeals.org/Programs/SummerFeedingPrograms/SummerFeedingInteractiveMap.aspx>
