

COVINGTON ISD

STUDENT DRESS CODE

2018-2019 School Year

The District's dress code is established to teach grooming and hygiene, to instill discipline, to prevent disruptions, to address safety concerns, and to teach respect for authority.

The staff and student body of Covington ISD represent the school and thus, reflect a public image. As with any large business or organization in public view, certain guidelines regarding grooming and dress are required in order to preserve an attractive and respected appearance. The following dress and grooming requirements apply to school and school functions whether on or off campus with respect to age appropriateness. All instances of inappropriate grooming may not be listed as it is difficult to anticipate changes in clothing styles due to fads or personal preference.
